You are solely responsible for ensuring that your use of the Service is in compliance with applicable federal, state and local laws and regulations.

6. International Use

The Services provided by us are offered only in jurisdictions where it is legal to do so. The availability of Service over the Internet is not a solicitation for or offering of Services to any person in any jurisdiction where such solicitation or offering is illegal. We reserve the right to limit the availability of the Service to any person, geographic area, or jurisdiction, at any time and in our sole discretion.

We make no representation that the Service is appropriate or available for use in locations outside of the United States, or that accessing our website is legally permitted in countries or territories where the Service may be illegal. If you access the Service from other locations, you do so at your own risk and are responsible for compliance with local laws.

If you are located outside the United States, you consent to having your personal data transferred to and processed in the United States. Without limiting the generality of the foregoing, you shall comply with such restrictions

and not export or re-export any of the Content (as defined below) to countries or persons prohibited under the export control laws of the United States. You are prohibited from any use of the Services that would constitute an illegal offense, give rise to liability or otherwise violate any applicable local, state, national or international law or regulation.

7. Content; User Content

7.1 Content

The Service may include news and information, commentary, interactive tools, securities symbols and quotes, research reports and data concerning the financial markets, securities and other subjects ("Content"). The Content may be owned by us or third-parties (each, a "Third-Party Provider" and collectively, the "Third-Party Providers").

Companies that are not affiliated with us may supply some of the Content. The source of all Third-Party Provider Content is clearly and prominently identified. We have not been involved in the preparation, adoption or editing of third party Content and we do not endorse or approve such Content. Testimonials may not be representative of the experience of other clients and are not indicative of future performance or success. Paid testimonials will be identified as such.

The Content is protected under both United States and foreign laws. Unauthorized use of the Content may violate copyright, trademark, and other laws. The Content is for educational and illustrative purposes only and does not imply a recommendation or solicitation to buy or sell a particular security or to engage in any particular investment strategy. No other use is permitted without the prior written consent of Us. Certain tools published on the Service may provide general information and guidance based upon your personalized input. The projections or other information regarding the likelihood of various investment outcomes are hypothetical in nature, are not guaranteed for accuracy or completeness, do not reflect actual investment results and are not guarantees of future results.

The calculations generated by our tools do not take into consideration all costs, such as commissions and margin interest, which may impact the results shown. It is your sole responsibility to select the criteria to enter in the tools, or to choose among the pre-defined screens, and to evaluate the merits and risks associated with the use of the tools before making any investment decisions. We are not responsible for any losses that occur from such investment decisions.

The Content is not warranted as to completeness or accuracy and is subject to change without notice. The Content is presented only as of the date published or indicated, and may be superseded by subsequent market events or for other reasons. In addition, you are responsible for setting the cache settings on your browser to ensure you are receiving the most recent data.

CONTENT AND TOOLS ARE PROVIDED ON AN "AS IS" or "AS AVAILABLE" BASIS WITHOUT WARRANTY OF ANY KIND, AND WE DO NOT MAKE ANY REPRESENTATIONS AS TO THE SUITABILITY OF THE CONTENT AND TOOLS FOR ANY PURPOSE, NOR TO ITS ACCURACY, TIMELINESS, COMPLETENESS, USEFULNESS OR NON-INFRINGEMENT. WE AND OUR PARENT COMPANIES, SUBSIDIARIES, AFFILIATES, SERVICE PROVIDERS, LICENSORS, OFFICERS, DIRECTORS OR EMPLOYEES AND THIRD-PARTY PROVIDERS SHALL NOT BE LIABLE FOR ANY DIRECT, INDIRECT, INCIDENTAL, SPECIAL OR CONSEQUENTIAL DAMAGES ARISING OUT OF OR RELATING TO THE USE OR THE INABILITY TO USE THE CONTENT, INCLUDING BUT NOT LIMITED TO DAMAGES FOR LOSS OF PROFITS, USE, DATA OR OTHER INTANGIBLE DAMAGES, EVEN IF SUCH PARTY HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

7.2 User Content

Our Service may allow you to post, link, store, share and otherwise make available certain information, text, images, or other material ("User Content"). You are responsible for the Content that you post to the Service or otherwise share with us, including its legality, reliability, and appropriateness. You expressly acknowledge and agree that once you submit your User Content for inclusion into the Service, there is no confidentiality or privacy with respect to such User Content, including, without limitation, any personally identifying information that you may make available, and such User Content may be shared with other users of the Service.

You represent and warrant that: (i) the User Content you post on the Service or otherwise share with us is yours (you own it) or you have the right to use it and grant us the rights and license as provided in these Terms, and (ii) the posting

or sharing of your User Content on or through the Service does not violate the privacy rights, publicity rights, copyrights, contract rights or any other rights of any person.

By posting or sharing User Content on the Service or on third party sites (such as our social media pages), you agree that we may publish your User Content in whole, or in part. We do not agree to post or share all User Content received. We reserve the right to remove or modify any posting that is false, offensive, violates any law or the rights of third parties, violates these Terms, or is defamatory or duplicative.

When you submit a posting to us on the Service or other sites, or otherwise share User Content with us, we may identify you by: your hometown, and state or country; and your first name, or last name and initial, or an alias that you have provided to us; your "member since" date; and other information that does not specifically identify you.

We reserve the right to reveal your identity and the User Content of your original and posted or shared submissions in response to legal action by any party, or in response to a request by governmental authority, or in our defense.

We retain ownership of all postings submitted or User Content shared on the Service, except when we post or share copyrighted material. By posting or sharing User Content, you warrant and represent that you own the rights to the User Content or are otherwise authorized to post, distribute, display, perform, transmit, or otherwise share the User Content. You hereby irrevocably waive any claims based on moral rights and similar theories, if any.

You retain all copyrights and other intellectual property rights in and to your own User Content. All comments, feedback, suggestions, ideas, and other submissions that you disclose, submit or

offer to us in connection with your use of the Service will become our exclusive property. Such disclosure, submission or offer of any submission constitutes an assignment to us, and you hereby assign to us, all worldwide right, title and interest in all patent, copyright, trademark, and all other intellectual property and other rights whatsoever in and to your submissions and you agree to waive any claim based on moral rights, unfair competition, breach of implied contract, breach of confidentiality, and any other legal theory relating to submissions. We will own exclusively and you hereby assign to us all right, title and interest in your User Content and agree that we will not be limited in any way in the use, commercial or otherwise, of your User Content. We are and will be under no obligation to pay you or any third party any compensation for any of this User Content.

8. Quotes and Market Data

A third party not affiliated with us may provide you access to market data and quotes to be used alongside the Service. If market data and quotes are provided to you by a third party, your use of the marked data and quotes will be governed by the terms and conditions imposed by such third party.

If we provide market data and quotes the following will apply:

Any price quotes that we may provide may be delayed fifteen (15) minutes or longer, according to the rules and regulations applicable to exchanges and quote providers. We reserve the right to limit the number of free real-time quotes. We do not make any representations, warranties or other guarantees as to the accuracy or timeliness of any price quotes.

We may provide you information regarding the value of your share positions based on the share price at the close of the latest market day. The data is for informational purposes only and does not reflect the price you may receive if you sell your shares. You also acknowledge that the quotes, and information provided based on quotes, are obtained from sources that we believe to be reliable, but we do not guarantee the accuracy and completeness of such quotes or information. You waive any claim that you might have against us or the quote provider related to the quotes or the quote-based information on the Service.

You represent and agree that the following statements are and will continue to be true for so long as you have access to the Service: (a) You will not use any information or market data provided by a national securities exchange or association in connection with any professional or commercial activities, and you agree to notify us if you intend to do so and to pay any additional charges; (b) you will not use the Service in conjunction with any business as a broker-dealer, investment advisor, futures commission merchant, commodities introducing broker, commodity trading advisor, member of a securities exchange or association or futures contract market, or an owner, partner or associated person of any of the foregoing; and (c) if you are employed by a bank or an insurance company or an affiliate of either you will not perform

functions related to securities or commodity futures trading activity, except with respect to your Streetbeat RIA account with us.

9. Fractional Shares

We round the amount of fractional shares you can purchase and own in your Streetbeat RIA account down to the nearest four decimal places which may affect your ability to be credited for cash dividends, stock dividends and stock splits. Fractional shares are not transferable. You will not have voting rights for the fraction of a share owned. If you close your Streetbeat RIA account or transfer your Streetbeat RIA account to another firm, the fractional share will need to be liquidated, resulting in potential commission charges which may match or exceed the value of the fractional share if less than our minimum commission.

10. Platform Availability Complaint Reporting

We will make best efforts that the Service is available during 9:30am ET – 4:00pm ET on any Monday through Friday (New York time), excluding federal holidays in the United States and any day on which banking institutions and stock market exchanges in the United States are required by law or other government action to close. However, it is understood and agreed that the Service utilizes multiple Third-Party Provider resources and API's and functionality is dependent on the operation of those services.

We encourage you to provide us feedback from time to time regarding the Service. In the event of any feedback or complaint received, we reserve the right to forward such communications to the appropriate party in order to address the communication, including, without limit, the Broker. We reserve the right to contact You about any communication received.

11. Purchases Timing and Batch Trading

Batch trading is a process in which trade orders are collected and then executed all at the same time. The Broker processes orders during one window each business day the U.S. Stock Exchange markets are open -- 10:00 am ET. You understand that orders are not processed in real time. Orders are aggregated with other buy and sell orders and processed at the same time in the next available window.

Example: A customer places an order to buy or sell a stock at 10:30am ET. The order will be processed the next business day at 10:00am ET.

Note: orders placed after the trade window at 10:00am ET will be processed in the window the next day at 10:00am ET. Orders placed after 10:00am ET Friday will be processed Monday at 10:00am ET.

Orders will be executed at the best available price in accordance with NBBO (National Best Bid or Offer) standards. This price may be higher or lower from the time you placed your order. Batch Trading may increase investment risk in a volatile market as the price at the time you placed your order may differ significantly from the execution price. Because we use batch trading, our platform may not be appropriate for short-term investors who wish to employ market-timing strategies.

12. Third Party Representations

We are not responsible for representations made by non-employees or third parties, unless they are expressly authorized, in writing, to speak on its behalf. We do not endorse, authorize or stand behind any representations made by users of our Service. You will not seek to hold us liable for the representations of third parties. You will hold us harmless from any deficiencies that may be contained in any prospectus or communication about a security that we did not actually write.

14. Tax and Legal Advice

The Service does not and is not intended to provide legal or tax advice. Consult a professional legal or tax advisor for advice regarding your specific situation.

15. Links To Other Websites

Our Service may contain links to Third-Party Provider websites or services that are not owned or controlled by us. These links are provided solely as a convenience to you and not as an endorsement by us of the person or entity operating such sites or the content on such sites. We have no control over, and assume no responsibility for, the Content, privacy policies, or practices of any third party websites or services. You further acknowledge and agree that we shall not be responsible or liable, directly or indirectly, for any damage or loss caused or alleged to be caused by or in connection with the use of or reliance on any such content, goods, or services available on or through any such websites or services. Some portions of the Service require you to provide additional personal information (for example, name, age, contact information, date of birth, Social Security number) before you can access their features. Registering for an account is optional, as is providing additional personal information to access additional Services. However, if you do not provide the information requested, you will not be able to access certain features of the Service. You agree that the information that you provide to us upon registration and at all other times will be accurate, current and complete. You agree to maintain and update this information on an annual basis. Failure to do so constitutes a breach of these Terms, which may result in termination of your account(s) on the Service.

You authorize us to retain a copy of all information received from you, including the information you submit through the registration process or that you provide to us from time to time, either

directly or indirectly, and to use such information to match you with product and services offers from us and from our marketing partners.

You may not register an account for anyone but yourself. You agree not to misrepresent your identity, your personal information or your third party account information.

You are solely responsible for protecting the confidentiality of your access information, and agree to immediately notify us of any unauthorized use, any breach of security or unauthorized use of your account(s). We are not liable for any loss or damage from your failure to comply with this security obligation. You are responsible for safeguarding the passwords, passphrases, and keys that you use to access the Service and for any activities or actions under your password, whether your password is with our Service or a Third-Party Provider service.

You agree not to disclose your password or grant access to your account(s) to any third party. If you permit a third party to access your account(s) or act on your behalf while accessing the Service, you do so at your own risk. We will consider any request made or action taken with your account(s) access information to be a request or action by you or authorized by you. You understand that you will be solely responsible for all orders transmitted electronically, or use of any data, information, or services obtained, using your username and password, and other security data. We are not liable for any losses or damages caused by any third person that you authorize or allow access to your account(s) or the Service. If you authorize or allow a third party to access your account(s) or Service, you will cooperate with us in our efforts to defend claims by that third person, and will indemnify us against any liability, expense, loss or damage that arises from such third party access.

You agree that we are not required to inquire as to the authority or propriety of any instructions given to us by you or via your username and password, and we will not be liable for any losses you incur, (including any claims, damages, actions, demands, investment losses, or other losses, as well as any costs, expenses, charges, attorneys' fees, or other fees and expenses incurred by me), or other liability arising out of any such instructions as long as such instructions reasonably appear to be authentic.

You accept full responsibility for monitoring your account(s).

We reserve the right to change, cancel, close or suspend any account(s) that you have created in association with the Service at any time, for any reason or no reason, without notice to you. If you close your account(s), we may continue to display your Content at our sole discretion. You agree that if we disable access to your account(s), you may be prevented from accessing the Service, your account(s) details, or any files or other Content related to your account(s). If we suspend, disable or close your account(s), you may not create another one without our written permission.

17. Consent to Obtain Credit and Financial Information

By submitting an application for an account, you are giving us your express written consent to obtain consumer reports (including credit reports) about you and other information, including credit and employment information about you from one or more consumer reporting agencies

(including credit bureaus) and to review and act on those reports and information. You authorize us to obtain reports from third parties concerning your financial situation, credit standing, business conduct or reputation. If requested to do so in writing, we will provide you with a copy of any such report. Where the law requires disclosure or if we believe disclosure is necessary for the conduct of our business, you authorize us to disclose nonpublic information about you.

BY SUBMITTING AN APPLICATION FOR AN ACCOUNT, YOU ARE PROVIDING "WRITTEN INSTRUCTIONS" TO US UNDER THE FAIR CREDIT REPORTING ACT, WHICH AUTHORIZES US TO OBTAIN INFORMATION FROM YOUR PERSONAL CREDIT PROFILE OR OTHER INFORMATION FROM ONE OR MORE CONSUMER REPORTING AGENCIES. THE INFORMATION OBTAINED FROM YOUR CREDIT REPORT, AS WELL AS OTHER INFORMATION THAT WE OBTAIN ABOUT YOU IN ACCORDANCE WITH THESE TERMS, WILL BE USED FOR A LEGITIMATE BUSINESS NEED, IN CONNECTION WITH A BUSINESS TRANSACTION INITIATED IN WRITING BY YOU (i.e., YOUR APPLICATION TO USE OUR SERVICE), IN ORDER TO DETERMINE YOUR ELIGIBILITY FOR THE SERVICE.

18. Electronic Communications

The word "Communications" in these Terms includes, but is not limited to: communications and agreements related to the Service and its usage; legal and regulatory disclosures and notices associated with the Service; periodic statements and confirmations; communications between you and us; postings and other material made available to you on the Service; privacy and security policies and notices; applicable tax-reporting forms.

By agreeing to these Terms, you agree that all Communications from us relating to your use of or access to the Service may be provided or made available to you electronically by email, text messaging, “in-app” messaging or by posting a Communication on the Service, and that you can access the Communications in the designated formats described below. Your consent to receive Communications and do business electronically, and our agreement to do so, applies to all of your interactions and transactions with us and our agents concerning your Service usage and access.

You expressly consent to receiving calls and messages, including auto-dialed and pre-recorded message calls, and “in-app” and SMS messages (including text messages) from us, our affiliates, marketing partners, agents and others calling at their request or on their behalf, at any telephone numbers that you have provided or may provide in the future (including any cellular telephone numbers). Your cellular or mobile telephone provider may charge you according to the type of plan you carry.

If you ask us by contacting us as described below, we will send you a paper copy of any Communication. We will retain copies of Communications for the time period required by law and will provide you with a copy upon request within those time periods. We may elect to not retain copies for longer than is required by law. Save or print copies of Communications to ensure you have them if needed. You must pay a service fee determined by us for the delivery of Communications that we would otherwise deliver electronically.

We reserve the right to provide Communications to you in paper form in our discretion even if you have given us consent to provide them electronically. For example, but without limitation, we may do this if we have a system outage, if we suspect fraud or if for any reason your designated email address or mobile phone does not accept emails or texts, respectively, from us.

Without obligating us to do so, you authorize us to monitor, record or maintain archival copies of electronic, written or oral Communications with you or anyone purporting to act on your behalf. All communications sent to and from us are subject to archival, monitoring, review by and disclosure to someone other than the recipient, such as our compliance administrators and regulatory bodies.

You are responsible for monitoring your Communications, including making sure that you are receiving any expected Communications. You must review these and other communications to ensure that information about your account(s) is accurate. You must read and understand the communications and notifications that you receive from us. If you experience any difficulty opening an electronic document, if you find any discrepancies or errors in any electronic communications or notifications you receive from us, if you have not received a communication you expected, or if you do not understand a notification or communication you receive from us, then you must notify us of this in writing no more than forty-eight (48) hours after delivery. You understand that so long as we send communications to you at the physical or electronic address of record given by you to us, or to any other address given to us by an authorized person, the communications are legally presumed to have been delivered, whether you actually received them or not.

If you fail to notify us when any of the above conditions occur, neither us nor any of our employees, agents, affiliates, subsidiaries, control persons, or our parent, nor any third parties, can or will have any responsibility or liability to you or to any other person whose claim may arise through you for any claims with respect to the handling, mishandling, or loss of any order or information. Notwithstanding your notification to us, we shall not be liable for any claims, demands, actions, losses, damages, liability, costs, charges, counsel fees, or expenses of any nature related to the Services except as expressly set forth in these Terms.

You may withdraw your consent to receive Communications electronically by contacting us as described below. If you withdraw your consent, your withdrawal will not affect the legal validity and enforceability of any electronic Communications provided or business transacted between us prior to the time you withdraw your consent. We will then send you any future Communications by mail or other non-electronic means.

Please tell us by contacting us as described below if you change your email or mailing address so that you continue to receive all Communications without interruption.

You acknowledge that you can access and store or print the electronic Communications in the designated formats described above, and you consent to having all Communications provided or made available to you in electronic form and to doing business electronically on or through the Service with us and our agents. If you are accessing the Service or the Communications electronically via a mobile device (such as a smartphone or tablet) you must make sure that you have software on your mobile device that allows you to print or save the Communications presented to you.

19. Consent to Contract Electronically

Your electronic signature or indication of assent to any document related to the Service is sufficient to legally bind you as if you had physically executed a hard copy of that document. You will not dispute the admissibility of an electronically stored copy of a document that you electronically signed or to which you indicated your assent. You will not dispute the validity of your electronic signature or indication of assent. And you will not dispute the admissibility of the business records maintained by us to reflect and memorialize your electronic signatures and indications of assent.

Through the Service, you may authorize us to access read-only information for the accounts you have with third party financial institutions, such as your bank. You understand and agree that to enable this feature you must enter on the Service the login information and credentials necessary to access your third-party account information. By enabling this feature you grant to us express permission to use your login information to access your third-party account information in connection with your use of the Service. You represent and warrant that in providing us with your login information and third-party account information you are not violating any agreement or terms that you are subject to.

As such, you may not modify, reproduce, distribute, create derivative works or adaptations of, publicly display or in any way exploit the Service in whole or in part except as expressly authorized by us in a separate written document. You agree that you shall not remove, obscure, or alter any proprietary rights notices (including copyright and trademark notices) which may be affixed to or contained within the Service.

Except as expressly and unambiguously provided herein, we do not grant you any express or implied rights in or to the Service or to Our IP, and all such rights are expressly reserved by us.

All goodwill generated from the use of Our IP inures to our benefit. All rights in and to the Service and Our IP are retained by us.

22. License
